

MILDMAY

Transforming Lives

# Pray for Mildmay

August to December 2023

We pray each day for Mildmay and her work in the United Kingdom, Kenya and Uganda, alongside those coping with HIV/AIDS, homelessness and detoxification treatments within their care and counsel.

Lord, as many live and worship in comfort, beauty and security in our world and society, so we pray for all within the care of the Mildmay family in the United Kingdom and Africa that do not share these benefits.

We pray for those who are away from home receiving treatments with us. For those living with pain and confusion and with little to cherish and delight in.

We would pray that they may know that you are with them always in those places of lack in their lives. Here may they know the abundance of your love and the fullness of life. So that with opening hearts and transforming behaviours, they might be willing to share with others around them the good things that happen.

Encourage the clinical teams and others who are supporting them so that they may find fresh ways of living, which bring in time nurture, sustenance, enjoyment, new purpose and the return to independent living in Jesus Christ our Lord.

Amen.

Jesus said: "I have come that you may have life in all its fullness"

John 10:10

## **We are a charity that cares for people.**

Our priorities are to seek out the health inequalities in communities in the UK and in Africa, and develop our services to address them, building partnerships to benefit the people that we serve and to deliver health and social care that continually improves, is open, transparent and sustainable.

We work in a multi-cultural society and value the contribution of everyone who works or volunteers for Mildmay Hospital, of people who use our service and their families, of other organisations and funders who work closely with us, and of the community, faith groups, and individual supporters who sustain our work.

### **Paul reminds us to**

Rejoice in the Lord, always letting our reasonableness be known to everyone. The Lord is at hand; do not be anxious about anything, but in everything by prayer and supplication with thanksgiving, let your requests be made known to God.

And the peace of God will pass all understanding and will guard and stand as a garrison over your hearts and minds in Christ Jesus.

From Philippians chapter 4, verses 4-7
