

# Pray for Mildmay

Lord, in these challenging and difficult times, we pray for the Mildmay Family and give thanks for Your generosity over 150+ years.

In this summer season help us to trust in You by knowing Your peace and presence among us in our transitions.

Lord, we pray for your world, our hospital in London and our projects in Kenya and Uganda.

As we go through testing times of change and transformation, we hope a future of new possibilities will open up for us, for our staff and patients, partners and suppliers, funders and advisers, and our Board and patrons.

God of all the world, as we pray continually and give you thanks, we remember that Your Son came to make all things new.

As, daily, in all the changing seasons of life, be with our Mildmay Family consistently as our lives are changing radically each day.

As we journey each day with Your companionship and treatments, may we walk onward with confidence, expectation, and hope.

In Jesus Christ our Lord,  
Amen.

Jesus said: "I have come that you may have life in all its fullness"

John 10:10

A London Overground line is named for Mildmay and those we care for

## The Mildmay line

We are honoured that the London Overground railway line from Stratford to Clapham Junction/Richmond is to be named the Mildmay line, in recognition of our hospital's pioneering care for people with HIV/AIDS in the 1980s and 90s, the LGBTQ+ community today, and the people of East London for over 150 years.

Transport for London is naming the lines to make the network easier to navigate and to reflect the Capital's rich and diverse history.
