

Mildmay Mission Hospital

## Healthcare Support Workers

£25,158 - £26,206 inclusive per annum  
37.5 hours per week

**Mildmay Mission Hospital is at the forefront of care and development of services in relation to complex HIV-related conditions for patients across the UK and step-down care for Homeless patients across London.**

We are looking for enthusiastic and well-motivated Healthcare support workers to join our ward team. You will deliver a patient-centred service encouraging independence and control of their health. In providing this service, you will be expected to be professional, efficient, effective, and committed to continuous professional development, contributing every day to making healthcare better. In return, we can offer supervision, support and training opportunities.

For more information please contact the Clinical Lead Nurse on 020 7613 6300 Ext 6151 and for an application pack please contact Human Resources by emailing: [personnel@mildmay.org](mailto:personnel@mildmay.org).
