

Band 5 Senior Nurses x 4

£32,466 - £39,521 inclusive per annum
37 hours per week

Mildmay Mission Hospital is at the forefront of care and development of services in relation to complex HIV-related conditions for patients across the UK and step-down care for Homeless patients across London.

We use a multidisciplinary team approach to provide a range of holistic services to our patients and clients. We are currently looking for enthusiastic, well-motivated Band 5 senior nurses, looking for a challenge, committed to their professional development and wishing to participate in the delivery of excellent patient focussed care in a specialist Multidisciplinary setting.

With the support of a Clinical Lead and Team Leader Nursing, you will be responsible for assessing, planning, implementing, and evaluating the nursing care of patients. You will also assist in the development and continuous quality improvement of the service and be involved in the training and mentorship of students, staff, and professional visitors.

For an informal discussion, please contact Comfort Adams, Clinical Lead Nurse on 020 7613 6151 and for an application form and Job Description email: personnel@mildmay.org.
