

Pray with **MILDMAY**

Summer 2026

As we move through our troubled world, with noises, voices and choices, may we see You with open eyes, ears open to listen, and voices ready to speak, as we sense the needs of the Mildmay community, both in our London hospital and at Mildmay in Uganda.

We pray Lord for all patients and their families whether in hospital or in communities, our clinicians and other staff, our Boards of Trustees and all our international, national and local partners.

Lord, You are our source, creator, redeemer, sustainer, provider, and equipper. You call us to come aside with You daily by assuring us of Your love and sustaining grace, which is sufficient for our every need. May You live Your fullness of life and love through us and all those we meet, care for and touch.

Especially, we pray for vulnerable and orphaned children, young people and their households in Uganda...

Jesus said "I have come that you may have life in all its fullness"

John 10:10

*A student supported by
the Universal Fund.*

May they be helped as we relaunch the Universal Fund through our Summer Appeal, sustaining their vocations through nourishment, education and apprenticeships. May their lives be enriched as they journey towards restoration with a resilient future full of adventure, hope and purpose.

So may we see each other as You see them - cherished, and restored in Your image.

Interwoven by the Holy Trinity, may all receive the eternal inheritance intended for them of the Father who creates, the Son who loves, and the Spirit who empowers, within Your dance of Resurrection Joy.

Amen.
